**REGIONAL ONCOLOGY INFORMATICS PLATFORM**

**HICOR IQ**
Explore the updated version and access interactive regional performance metrics

**2016 UPDATES**

1. Provider groups can identify their own clinics

2. New metrics based on community feedback

3. Partner-specific portal for collaboration projects.

**FUTURE PRODUCT DEVELOPMENT**
Additional data providers – payers, health systems and registries
Expanded set of performance measures based on regional consensus
Expanded data source types including electronic medical records

HICOR needs partners to collaborate on EMR integration.
Contact kkreizen@fredhutch.org to explore opportunities.
